***The Nazis first came for the Communists,
and I did not speak up, for I was not a Communist.
Then they came for the Jews,
and I did not speak up, for I was not a Jew.
Then they came for the trade unionists,
and I did not speak up, for I was not a trade unionist.
Then they came for the Catholics,
and I did not speak up, for I was a protestant.
And then they came for me,
and by that time, there was no one left to speak for me.***
