Undergraduate Scholarships Application Form

Guidelines

Please note we only accept hard copy of your application, we do not accept faxes or email attachments. Please allow sufficient time for your application to reach us by mail.

The website addresses possible questions that might arise while applying for scholarships. Please read it carefully and only contact the Scholarships Office if the information you require is not there.

If you are a full-time applicant, do not submit an application for a scholarship prior to or along with your UCAS application. If you are a part-time applicant, please make an admissions application to study at the University before applying for a scholarship.

Apply only if you are holding an offer (conditional or unconditional) of a place on a course at the University of Westminster.

Please check individual scholarships for deadlines.

The application must be word processed and if not then reasons for being unable to do so given.

The scholarships procedure is a separate procedure. Therefore, please make sure that you send in a separate application to the Scholarships Office accompanied with:

- A copy of your results achieved so far in your most recent/ current academic study (eg As/A Level, access course or BTEC results achieved so far)
- A reference letter for your scholarship application
- A copy of your offer letter or UCAS confirmation letter
- Your statement of support (this is Section B of the application form)
- A copy of your IELTS/TOEFL result. These are English language qualifications, and you are only required to submit this if you are an international or European applicant living overseas.

Please attach all supporting documentation and submit by the deadline to the following address:

Scholarships Office
University of Westminster

Please note that applications sent or received after the deadline will not be considered.
